Dear Beki:

The US Postal service from its Clayton, Missouri Office tried to deliver an insured piece of mail recently to ERIC P, Newman, 6450 Cecil Ave. St Louis MO 63105 from Dan Hamelberg .I was on vacation in Massachusetts and no one was at my home at that time and the Postal Service left a notice of attempted delivery and did not deliver it. You Beki Jaster (our housekeeper) promptly went to the Clayton post office to pick it up but the post office required either my signature or some proper authorization. The Postal service said they would accept an Email authorization from me, This message is an authorization by Eric P. Newman for Beki Jaster to sign a receipt on my behalf for an insured mail delivery from Dan Hamelberg.and accept possession of it Please excuse any slight misspelling.

Eric P, Newman
6450 Cecil Ave.,
St. Louis MO 63105

Happy Birthday

Eric,

Thank you for your friendship and contributions over the years. I remember fondly my overnight visit to your home in St. Louis. You sir, are a class act, and the numismatic community is better for it. Thank you and Happy Birthday!

Dan Hamelberg
